Parent Release Form

CIMT Massages for Minors Policy

CIMT offers massage for minors ages 6-15 with the consent of a parent or guardian. For these minors, CIMT **requires** the parent/guardian be present in the room for the entire session. This increases our transparency, can put client and parent at ease, and can increase communication between client/parent and the therapist.

For minors age 16-17, CIMT still requires a parental release form; the parent is encouraged, but not *required*, to be present in the room for the session.

This policy applies to Student Clinic, Professionals and Interns, and Lab. With Sports Clinic and events, parents are still required to complete the parental release form, and are encouraged, but not *required*, to be present for the session.

I give my son or daughter permissions to receive a massage from a Colorado Institute of Massage Therapy Student/Intern/Professional therapist. I understand that the Colorado Institute of Massage Therapy and/or the therapist will not be liable for any injuries or loss sustained to my son or daughter.
